*** WHAT TO ENCLOSE**

The following enclosures should be included with your return when claiming original or carryover credits. Computation schedules are required for claims to be carried forward. Missing enclosures may cause a credit to be disallowed.

- **Enterprise Zone Act Credit:** Form 301.
- **Conservation Tillage Equipment Credit:** Statement showing purchase date, description, and credit computation.
- **Biodiesel and Green Diesel Fuels Tax Credit:** Copy of Certificate from the Department.
- **Precision Fertilizer and Pesticide Application Equipment Credit:** Statement showing purchase date, description, and credit computation.
- **Vehicle Emissions Testing Equipment Credit:** Copy of the letter from the Virginia Department of Environmental Quality (DEQ) to the equipment vendor certifying that the equipment configuration meets the regulation and equipment specification requirements for use in the enhanced vehicle emissions inspection program. A copy of the letter may be obtained from the equipment vendor or the DEQ Northern Virginia Regional office in Woodbridge, Virginia by calling (703) 583-3900.
- **Agricultural Best Management Practices Credit:** Copy of the tax credit approval letter from the local Soil and Water Conservation District.
- **Waste Motor Oil Burning Equipment Credit:** Approved Form 50-12 from the Department of Environmental Quality, receipts, invoices, or other documentation to confirm purchase price paid.
- **Virginia Coal Employment and Production Incentive Tax Credit:** Certification from the coal producer that the coal was mined in Virginia.
- **Coalfield Employment Enhancement Tax Credit:** Form 306 with completed schedules, if appropriate. See “What to Enclose” on the instructions for Form 306 for additional enclosure requirements and information.
