

FORM 770IP

Virginia Fiduciary and Unified Nonresident Automatic Extension Payment Voucher

For use when filing Form 770 or Form 765

This form is for use by Fiduciary Taxpayers and Pass-Through Entities filing for Unified Nonresident Taxpayers only. If you are making an individual income tax extension payment, use Form 760IP.

Effective for payments made on and after July 1, 2022, Pass-Through Entities must submit all unified nonresident income tax payments electronically if any payment exceeds \$1,500 or the sum of all payments is expected to exceed \$6,000. This includes estimated, extension, and return payments. Visit our website at www.tax.virginia.gov for information on electronic payment options.

Virginia automatically grants all taxpayers a 6-month extension of time to file their fiduciary or unified nonresident tax returns.

- For calendar year filers, the filing date is automatically extended to November 1.
• You are NOT required to file Form 770IP in order to obtain this automatic extension.
• An extension of time to file does NOT extend the amount of time you have to make your payment.
• You must pay any tentative tax due by May 1.
• Penalties and interest will accrue on all late payments.

Purpose of Form 770IP

Form 770IP, Automatic Fiduciary and Unified Nonresident Extension Payment, is a payment coupon and worksheet that provides taxpayers who are unable to file their Fiduciary or Unified Nonresident income tax return by May 1 a means of calculating and remitting a payment to avoid penalty and interest.

Who Must File Form 770IP

Form 770IP is required if BOTH of the following apply to you:

- 1. You cannot file your fiduciary or unified nonresident income tax return by the due date; and
2. You owe tax (this is determined by completing the Tentative Tax Computation Worksheet on the back of this page).

Do not file Form 770IP if you determine that you do NOT owe additional tax.

Completing Form 770IP

Complete the Tentative Tax Computation Worksheet on the back, then enter the payment amount in the Payment Amount box on

Form 770IP. Instructions for the worksheet and the form are on the back. If additional tax is due when you file your return, you may owe penalty and interest charges in addition to the tax.

When and Where to File Form 770IP

The quickest and most convenient way to make payment is online at the Department's website www.tax.virginia.gov using eForms or Web Upload.

Alternatively, if you are using software you may be able to submit your payment through e-File. You may also be able to set up your estimated payments via debit EFT with future payment dates.

If you are paying with a paper check or money order, file Form 770IP along with your payment as soon as you realize you owe any additional tax. The 2022 Form 770IP must be postmarked by May 1, 2023 to avoid interest and penalties. For fiscal year filers, file Form 770IP on or before the due date of your return with payment of the balance due to avoid interest and penalties.

If the due date falls on a Saturday, Sunday or legal holiday, Form 770IP, with payment, may be filed on the next day that is not a Saturday, Sunday or legal holiday.

Be sure to write your FEIN, taxable year and "VA 770IP" on your payment.

Send the completed Form 770IP, with payment, to:

If you file your return within 6 months after the due date but do not meet the 90% payment requirement, the balance of tax due with your return will be subject to an extension penalty of 2% per month, from the due date through the date of filing, to a maximum of 12%. If you file within the extension period but do not pay the full balance of tax due with your return, the balance due will be subject to a late payment penalty of 6% per month from the date of filing through the date of payment, up to a maximum of 30%.

The late payment penalty will be assessed in addition to any extension penalty that may apply.
