In order for an investor to claim a subtraction for income attributable to a Virginia venture capital account, the investment must be registered with the Department by filing form VEN-3. Submit this form by January 31 of the year following the year of the investment. This documentation must be provided in order for the subtraction to be allowed on the Virginia return. This is **Step 3 out of 3** for registering and certifying a venture capital account investment fund for the purposes of the venture capital account investment income tax subtraction.

Note: The taxpayer cannot claim a venture capital subtraction for an investment in a company that is owned or operated by a family member or an affiliate of the taxpayer; cannot use the investment to claim the subtraction for certain long-term capital gains; cannot use the investment to claim the subtraction for Virginia Real Estate Investment Trusts; or cannot use the same investment to claim the Qualified Equity and Subordinated Debt Tax Credit for individuals.
